Royalton Equine Veterinary Services  
7735 Chestnut Ridge Road  
Lockport, NY 14094

Dear Dr. Jeanne Best,

Welcome to membership in the Lincoln Memorial University-College of Veterinary Medicine (LMU-CVM). Thank you for becoming a clinical affiliate in the Clinical Educational Program. We are very happy to partner with you and eagerly look forward to your participation. The LMU-CVM, with your help, is committed to graduating competent, confident and compassionate career ready veterinarians prepared for success in the 21<sup>st</sup> century.

By virtue of the fact that you have been selected to host clinical year students, you have already demonstrated that you are a progressive and successful member of the veterinary profession. The LMU-CVM is committed to supporting you in one more step in your lifelong learning process as together we refine and hone your teaching skill set, and you provide us feedback on the preparedness of our students. Being a good doctor involves much more than simply knowing the technical/medical facts. Professional skills like leadership, communication, team work, confidence and flexibility contribute substantially to career and life success. As clinical course sites you have the unique opportunity to role model both technical and professional competence with future colleagues. Additionally, you may be surprised at how much you learn from the students you teach.

Thank you for participating in our LMU-CVM Community Based Teaching Hospital. We look forward to a long and mutually beneficial partnership and eagerly look forward to your feedback. We sincerely appreciate your willingness to partner with us and we are confident it will be a mutually rewarding experience.

Sincerely,

Glen F. Hoffsis, DVM, MS, DACVIM  
Dean and Professor  
Lincoln Memorial University-College of Veterinary Medicine
